Use Policy and Security Policy

Acceptable Use Policy

- **Protecting basic human rights**

- ✓ Do not engage in activities intended to defame, abuse, stalk, harass, humiliate, discriminate, or physically threaten anyone
- ✓ Do not make statements designed to incite violence or hatred, or issue threats (including those based on group, race, gender, religion, or slurs)

- **No commercial use**

- ✓ Private monopolization and unfair trade practices are prohibited

- **Protecting intellectual property rights**

- ✓ Do not download, distribute, display, store, or duplicate copyrighted works (literary, artistic, or scientific) without permission
- ✓ Do not use illegal or pirated software

- **No infringement of personal information or security**

- ✓ Do not share your account, or disclose your or others' passwords
- ✓ Do not hack into others' accounts

Acceptable Use Policy (Continued)

- Ensuring public benefit

- ✓ The network is not for recreational or personal use; it is for research and educational purposes only

- Protecting the Network and Security

- ✓ This is related to the acceptable security policy, which will be discussed later

- Complying with relevant regulation

- ✓ You must comply with international and local laws

Acceptable **Security** Policy 1

- **Obligation to protect the computers**
 - ✓ Always have the latest updating or OS, Security and Antivirus software installed
- **Preventing computer information leak**
 - ✓ No leaking incident or information to third party
- **Managing services provided**
 - ✓ No leaking weaknesses or security holes to third party
- **Protecting personal information**
 - ✓ No leaking of your own or others personal information

Fishing scam sites !!! Never enter your UEC user ID and password to any website or URL that you are not sure about.

Acceptable **Security** Policy (Continued)

- **Obligation to report**
 - ✓ Reporting weakness, infection, etc.
- **Obligation to take counter measures**
 - ✓ Stop using an infected or vulnerable machine

Before You Connect to the UEC Network

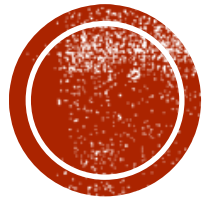

1. Obey the rules/laws and use for educational purposes only
2. Updating your device OS (the latest version)
3. Must install the protection software
 - ✓ Anti-virus software
 - ✓ Security software (firewall, endpoint protect etc.)
4. Uninstall all the illegal software
5. **Uninstall all the P2P software.** (Even though you have no intention to use it)

Winny, Torrent, etc...

Once the P2P's protocol traced, the network of the whole domain's network will be shutdown/blocked for more than 24 hours until the investigation complete.

UEC account address: **a1234567@edu.cc.uec.ac.jp**

UEC GL account address: **a1234567@gl.cc.uec.ac.jp**

UEC Education account email configuration

For reading the UEC account mail (refer to Handout #2)

Email address: **a1234567@edu.cc.uec.ac.jp**

- Mailer setting (IMAPs, POP3s)

Mail server	imap.cc.uec.ac.jp
Port number	993 (IMAPs) or 995 (POP3s)
Encryption	SSL (TLS, encrypt or else)
Password type	None (PLAIN, normal password)

- Sending mail (SMTP)

SMTP server	mx-delivery.uec.ac.jp
Port number	993 (IMAPs) or 995 (POP3s)
Encryption	STARTTLS
Password type	None, PLAIN, normal password

UEC GL account email

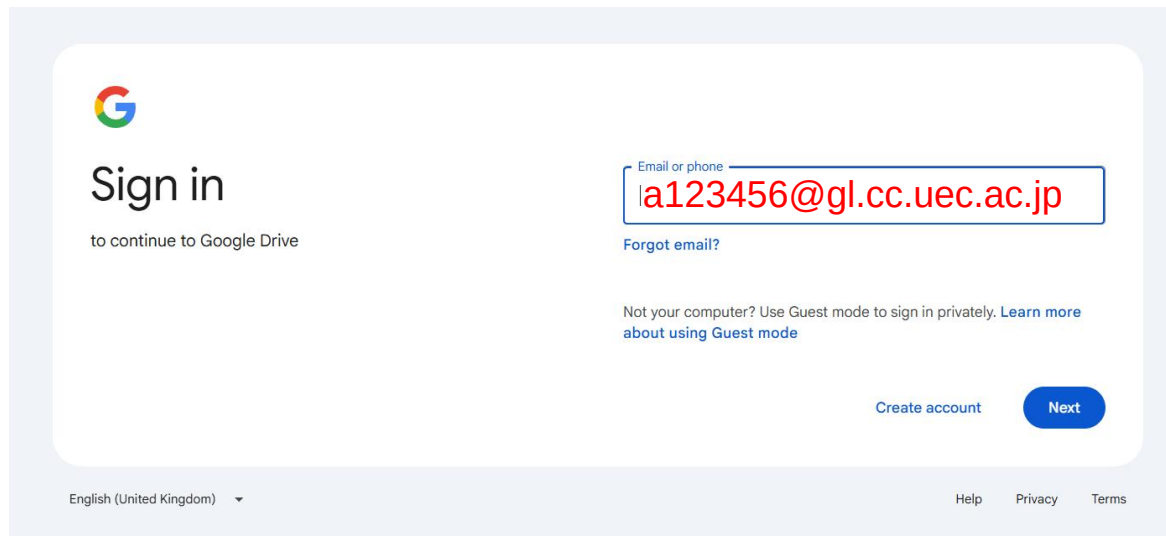

For reading the GL account mail (**gmail.com**)

Email address: **a1234567@gl.cc.uec.ac.jp**

- Mailer (Browser or Gmail apps) Sign-out all your other Gmail before access

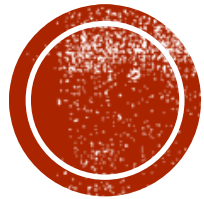

URL	gmail.com
User ID = email	a1234567@gl.cc.uec.ac.jp

The screenshot shows the Google Sign-in interface. On the left, the Google 'G' logo is above the text 'Sign in' and 'to continue to Google Drive'. On the right, there is a text input field labeled 'Email or phone' containing the email address 'a1234567@gl.cc.uec.ac.jp'. Below the input field is a link 'Forgot email?'. Further down, there is a line of text: 'Not your computer? Use Guest mode to sign in privately. [Learn more about using Guest mode](#)'. At the bottom right, there are two buttons: 'Create account' and 'Next'. At the very bottom, there is a language selector 'English (United Kingdom)' and links for 'Help', 'Privacy', and 'Terms'.

a123456@gl.cc.uec.ac.jp is configured to receive your UEC account 2-step authentication code by default.

UEC Educational Account and the Network System

- 2 Steps Authentication settings
- Change your password

UEC Education Account Information

Login-ID: a1234567
Password: ?????????????? } PDF sent to you

(password 12 characters with capital-letter + symbol + number)

✓ Don't forget your ID or Password. You will need it to read your mail and access to some courses.

Important: When login to UEC server, if you miss-type the password more than 3 times, your account will be locked for a few hours.

Change initial password or Reissue password

UEC Educational Account

- Create a password
 - ✓ *The Password must more than 12 characters*
 - ✓ *Must include at least :
1 small letter + 1 capital letter + 1 number + 1 symbol (? , * , # , % , & , ... etc.)*
- Change the password by accessing to the following URL.
(Please do not forget your password!)

<https://axiole.cc.uec.ac.jp/?lang=en>

If you are login out of the UEC network system then you will have to get the 2nd login code that is sent to your UEC Google account (a1234567@gl.cc.uec.ac.jp)

電気通信大学 情報システム利用に関する誓約書の提出

Submitting Pledge for Using the University of Electro-Communications (UEC) Information System

本学の情報システムを利用する場合、誓約書の提出が必要です。期日までに誓約書を提出しない場合は、本学の情報システムが利用できなくなります。

All members of the University of Electro-Communications (i.e. all executives, students, full-time and part-time employees, and unpaid researchers (e.g. visiting scholars/researchers), etc.) are required to submit "Pledge for Using the University of Electro-Communications (UEC) Information System" to use the UEC information system. Unless you submit the pledge by the deadline, you will be unable to use the information system.

Passing Score [100Point]

3) Start

Take the test/questionnaire,

“電気通信大学 情報システム利用に関する誓約書の提出 Submitting Pledge for Using the University of Electro-Communications (UEC) Information System”

check “Agree” and complete the test.

Question 1 国立大学法人 電気通信大学 情報化統括責任者殿

To Chief Information Officer
The University of Electro-Communications,

1. 私は1年に1回INFOSSを受講し、期日までに提供されている試験のどれか一つを合格することを誓います。
1. I hereby promise to take INFOSS Information Ethics' e-learning course once every academic year and pass one of their tests by due-date.

2. 私は国立大学法人 電気通信大学 情報システム運用・管理実施手順書を遵守します。
2. I shall abide by the University of Electro-Communications IT Systems Operations and Administration Procedural Manual when using the UEC information system.

3. 1, 2に違反した場合、私のUECアカウントにおける情報システムの利用に制限が課されることを承諾します。
3. In the case of misconduct through violation of the term1 and 2 stated above, I shall agree that my UEC account access will be limited when using the UEC information system.

1. ☐ 誓います I Agree.
2. ☐ 誓いません I do not Agree.

(100)

Grade

4) Check Agree

5) Submit

2. Information Ethics Education (INFOSS) Test

1. <http://webclass.cdel.uec.ac.jp>

A *pin-code* will send to your email address (2 steps authentication)

2. Press “Add Course” and search for “INFOSS”

Choose one of the “INFOSS” to complete

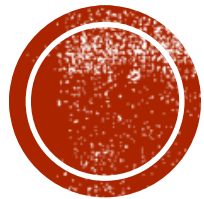

- A) INFOSS Information Ethics [English] ← choose this course
- B) INFOSS情報倫理[ふりがな版]
- C) INFOSS情報倫理[通常版]
- D) INFOSS情報倫理[速習版]

3. Complete the INFOSS Test later

✓ Scores > 80%

✓ Complete it within 2 months
